**RESPONSE TO NOTICE OF SEQUENCE LISTING  
REQUIREMENTS AND AMENDMENT**

Commissioner for Patents  
Washington, D.C. 20231

Sir:

Responsive to the Notice, mailed September 30, 2002, Applicants submit herewith a paper copy of a Sequence Listing previously submitted in computer-readable form in U.S. Serial No. 08/537,361, filed October 2, 1995, now U.S. Patent No. 6,121,037. Applicants understand from the Notice that this copy of the computer-readable form of the Sequence Listing has been entered into the instant application, and that they are required to submit a paper copy of the Sequence Listing to bring the specification into conformity with the computer-readable Sequence Listing. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer-readable form that will be used for the instant application. No new matter is introduced into the specification of the instant divisional application as filed by using the computer-readable form of the Sequence Listing from USSN 08/537,361 or by entry of the paper copy of the Sequence Listing submitted herewith.

**AMENDMENTS**

**IN THE SPECIFICATION:**

NE ↓ On page 6, line 21, please replace "serotype A" with --serotype B--.
